Subcommittee on Commerce, Justice,  
Science, and Related Agencies

Dear Chairman Rogers and Ranking Member Cartwright:

I am requesting funding for the South Fulton Violent Crime Reduction Through Intelligence-Driven Policing Project in Fiscal Year 2024. The entity to receive funding for this project is the South Fulton Police Department located at 4121 Cascade Rd, South Fulton GA 30331. The South Fulton Police Department would use this funding to purchase ten SUV police cruisers, surveillance cameras and license plate readers, and to acquire the National Integrated Ballistics Information Network (NIBIN) program equipment, which is used to analyze ballistic evidence from aggravated assaults and other crimes where a weapon was used. The project is an appropriate use of taxpayer funds because it will allow for police officers to be more efficient in solving cases and apprehending criminals and more proactive in reducing violent crime.

The project has a federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I nor my immediate family has any financial interest in this project.

Sincerely,

David Scott  
Member of Congress
